**Kitchen Update**

Committee members expressed a desire to get more information as to why the new ovens were needed. Several people have reported successful use of the gas oven. After discussing equipment plan and needs, Perry offered to have Bryan Perry inspect out the existing gas oven/stove and check with General Parts of Moorhead to see if any repairs are needed. Committee members discussed the need to replace the serving countertops with stainless steel. Dahlgren to check with local companies or individuals for more information.

**Remodeling Project Update**

Matt Malone from BHH Partners was present to collect information and guidance from the Committee. Committee and Malone reviewed budget expectations and timing for the project. Roof insulation needs were discussed. Project objectives and goals were discussed. Committee members and Malone did a brief inspection of the Event Center. Malone plans to bring more information to the April committee meeting.

**Council Recommendations**
