

Water Sewer Committee meeting was held on December 2, 2020 at 6:30 pm on Zoom with the following members present Logan Dahlgren, Natalie Fischer, Mike DuFrane and Julie Lammers.

Issue discussed: 2021 Sewer Budget and 2021 Water Budget

Committee reviewed 10-year capital outlay of both sewer and water.

Committee reviewed 2019 and 2020 income and expenses.

Committee recommends to Council the following:

- Approval of the provided water and sewer budgets.

- Raise in Sewer Accessory Charge from \$300 to \$750

- Raise in Sewer Base Rate from \$27.00 to \$28.00 and a raise from \$2.00 per 1,000 gallons to \$2.50 per 1,000 gallons

- Raise in Water Accessory Charge from \$300 to \$750

- Raise in Water Base Rate from \$27.00 to \$28.00 and a raise from \$3.00 per 1,000 gallons to \$3.50 per 1,000 gallons

Committee recommendations for future sewer and water committees.

Review Capital Outlay schedule annually.

Raise water and sewer rates annually. Suggests a 25 cent raise in 2022 for water and a 50 cent raise in 2022 for sewer. City needs to get water and sewer departments funded and planning for future capital outlay expenses.
