

August 2021 Utilities superintendent report

Parks

1. Isaac Ratz has finished landscaping around planter on tin can alley.
2. Picnic table on doobie beach was installed by Lorin and Diane Menz. Matt and I put black dirt down and planted grass. Bench was moved to a more appealing spot.

Water

1. Inspection was done on the inside of water tower. I will report findings to the water sewer committee at a meeting on a later date.

Wastewater

1. No discharge in July.

Streets

1. Patching was done on Railway, Alley behind Liquor store, Scharf Ave and Franklin Fence.

City farm

1. Mackner excavating is waiting on part for Backhoe to clean burn pile up.
