## 2022 EDA/HRA goals:

## HRA - Housing:

- 1. Identify buildable lots: Review housing study determine the types of housing needed, work with City and private development to furnish said housing.
  - a. Identify lots within current city limits, who owns said lots, their price, and whether they have City services (water/sewer), or their potential for said services.
  - b. Identify potential building lots within a one-mile radius of Vergas, who owns the lots, and their selling price. Assess potential of providing City services.
  - c. Work with developer of Lawrence Lake Lots, as well as owners of other available lots within Vergas City limits on a marketing campaign to help sell said lots.
- 2. Determine interest in grant or low interest housing program to repair or improve existing housing.
- 3. Assisting current residents in retaining and maintaining their properties through knowledge of available programs.
- 4. Aid residential developers by making new housing more available through support of waived permitting fees; tax abatements or tax increment financing; etc.
- 5. Convey the message that all aspects; live, work, and play; contribute to the existing high quality of life in our community.
- 6. Work with developer of Lawrence Lake Lots, as well as owners of other available lots within Vergas City limits on a marketing campaign to help sell said lots.
- 7. Look at grants, loans, programs, at the local, state, and federal levels to make cityservices (water/sewer) available and affordable for new developments.
- 8. Continue to be involved with City Comprehensive planning process, focusing onhousing issues/concerns within said study.

## **EDA- Business:**

- 1. Meet with existing business owners, determine how things are going for them, or if they need our assistance to stay in business or to expand their business.
- 2. Support current commercial businesses with training and information on available or upcoming funding in order to help them maintain and grow at a successful rate.
- 3. Continue to explore options for bringing a grocery store to Vergas.
- 4. Work with Planning and Zoning to review areas within current city limits and within a one-mile radius for potential future business development/growth.
- 5. Continue redevelopment efforts of unoccupied commercial buildings within the city of Vergas.
- 6. Encourage well planned quality development of commercial areas.
- 7. Continue to work on parking issues within business district (availability/handicap), identify solutions, both short-term and long-range. Some solutions might involve buyout of existing businesses, identify funding sources.
- 8. Continue to be involved with City Comprehensive planning process, focusing on business issues/concerns within said study.
- 9. Meet with Commercial Club to review each other's goals, common interests, and where interests may overlap. Work together to enhance each other's missions.
