

§ 51.018 MANDATORY INSTALLATION OF SERVICE CONNECTION TO PUBLIC SEWER.

(A) *Existing Structures within 200 feet of Public Sewer.* The owners of all houses, buildings, or properties used for human occupancy, employment, recreation or other purposes from which wastewater is discharged, which are situated within the city and adjacent to any street, alley, or right-of-way in which there is now located, or may in the future be located, a public sanitary sewer of the city, shall be required at the owner's expense to install a suitable service connection to the public sewer in accordance with provisions of this ordinance within 365 days of the date the public sewer is operational; provided, the public sewer is within 200 feet of the structure generating the wastewater.

(B) *New structures.* All future buildings or structures that will generate waste water, which are to be constructed on property adjacent to or within 200 feet of the public sewer, shall be required to immediately connect to the public sewer. If sewer connections are not made pursuant to this section, the city shall serve an official ten-day notice instructing the affected property owner to make the connection.

(C) *Structures Where Service Not Previously Available.* As the public sewer becomes available to a property serviced by a private wastewater disposal system, a direct connection shall be made to the public sewer within 365 days, in compliance with this chapter, and within 35 days thereafter any septic tanks, cesspools, and similar private wastewater disposal systems shall be cleaned of sludge. The bottom of any such private wastewater disposal system shall be broken to permit drainage, and the tank, pit, or vault shall be filled with suitable material. The public sewer system will be considered available when the property to be serviced is adjacent to the public sewer or when any structure on the property that generates waste water is within 200 feet of the public sewer.

PRIVATE WASTEWATER DISPOSAL

§ 51.035 PUBLIC SEWER NOT AVAILABLE.

Where a public sewer is not available under the provisions of § 51.018, the building sewer shall be connected to a private wastewater disposal system complying with the provisions of this subchapter and Minn. Rules Ch. 7080, Individual Sewage Treatment Systems Program, as amended from time to time.
