City of Vergas

Grade and Fill Permit

IN CONSIDERATION OF The statements and representations made by Michael Rosendahl, Applicant, for the address is 96 Parkview Drive Vergas MN 56587 in the application therefore duly filed in this office, which application is hereby made a part hereof, PERMISSION IS HEREBY GRANTED TO Michael & Mandy Rosendahl as owners to bring in approximately 145 Cubic Yards of black dirt/ fill with the following conditions:

Alterations of vegetation and topography will be regulated to prevent erosion into public waters, fix nutrients, preserve shoreland aesthetics, preserve historic values, prevent bank slumping, and protect fish and wildlife habitat.

Alterations must be designed and conducted in a manner that ensures only the smallest amount of bare ground is exposed for the shortest time possible;

Mulches or similar materials must be used, where necessary, for temporary bare soil coverage, and a permanent vegetation cover must be established as soon as possible;

Methods to minimize soil erosion and to trap sediments before they reach any surface water feature must be used;

Altered areas must be stabilized to acceptable erosion control standards consistent with the field office technical guides of the local soil and water conservation districts and the United States Soil Conservation Service;

Fill or excavated material must not be placed in a manner that creates an unstable slope;

Plans to place fill or excavated material on steep slopes must be reviewed by qualified professionals for continued slope stability and must not create finished slopes of 30 percent or greater;

Fill or excavated material must not be placed in bluff impact zones;

Any alterations below the ordinary high-water level of public waters must first be authorized by the commissioner under Minnesota Statutes, Section 105.42; plat or addition 82000990228000 which tract is of the size and area specified in said application.

This permit is granted upon the express conditions that said owner or the person to whom it is granted, and his contractors, agents, workmen and employees, shall comply in all respects with the ordinances of the City of Vergas; that it does not cover the use of public property, such as streets, sidewalks, alleys, etc., for which special permits must be secured.

Given under the hand of the Mayor of said City of Vergas and its corporate seal and attested by its Clerk this 25th day of September, 2023.

Type of soils and/or fill material dirt/fill

Total cubic yards of earthmoving requested 145

Signature of property owner Michael Rosendahl Date 8/28/23

I would like to add
 dirt to slope part
 of Hill to be able to
 walk/drive golf down
 to lake. I would also like
 to make an access point to
 the lake, staying behind/above
 the OttnL, as marked by
 the DWR. I would like this
 area marked to make a
 nice area to put the dock/
 boat lift at.
