Dear Julie,

Please add to the agenda of 8-14-24:

Munibilling

For such a great new system, why you can't change owner of land to renter, if the renter is the one responsible to pay the bills and HAS been paying the bills. You have stated this is not possible.

Sincerely,

A handwritten signature in black ink that reads "Marcia Huddleston". The script is cursive and fluid, with the first name "Marcia" being more prominent than the last name "Huddleston".
