Committee "To-Do" List was discussed. Committee members will continue to look for items at the center needing to be done. Currently the maintenance staff is looking into placing the microphone on the ceiling and moving up the camera.

Lammers reviewed the energy information presented by WCI at the past council meeting. They are going out for bids on solar panels, and it will be 2026 before panels would be placed at the event center depending on the bid prices.

**Sculpture**

Perry questioned the committee regarding adding a sculpture to the front of the event center at no cost to the city. The committee felt this would be a good contribution and looks forward to hearing more regarding the sculpture.

Respectfully submitted,

Julie Lammers, CMC
