

403.02 Water Service Connections: Who To Make, Cost Of:

Subd. 1. Any property located in the City which requires a source of potable water shall be connected to the public water distribution system at the expense of the property owner whenever the public system is located in a public right-of-way or easement which is accessible to said property. In the event, an owner of such property does not connect as so required, the City may, after providing written notice of owner, begin assessment a monthly water availability charge to the owner at an amount as set by City Council. (Any exception shall only be permitted through a written agreement by the administrative authority.) (Ordinance No.

359, Adopted 1/10/2012)

Subd. 2. A water well which is taken out of service because a person is connecting to a public water supply must either be maintained for use such as irrigation, or sealed and abandoned in accordance with the Minnesota Water Well Construction Code (Minnesota Rules, Chapter 4725).

Subd. 3. Service connections to the water distribution system will be done by the Water Department or other authorized personnel.

Subd. 4. Water connection permit fees will be established by resolution of the City Council. (Ordinance No. 106, Adopted 5/3/1994)

Subd. 5. A water connection fee will be charged anytime a water service line is installed, repaired or replaced. (Ordinance No. 106, Adopted 5/3/1994)

400-20

Subd. 6. All service taps up to and including two (2) inches will be done under pressure. Service taps larger than two (2) inches have the option of being done under pressure.

Subd. 7. When a service lateral was installed with a water main project (out

to the curb box), the property owner will connect at the curb box. If any additional service is needed, the fore-mentioned described service connection will apply.

Subd. 8. All service lines, connections, piping and appurtenances shall be installed and performed strictly in accordance with the Minnesota Plumbing Code and be approved by the Water Department. Failure to install or maintain the same in accordance therewith, or failure to have, or permit, required inspections shall be grounds for termination of water service to any customer.
