

Engineering Update – April 2026

Blaine Green, PE, VP

Ongoing Items:

- Parking lot:
 - Punchlist items (concrete walk) to be completed in spring
 - Completed Certificate of Survey for Bruhn Property
 - Project closeout to follow
- Keilley Shores development
 - Developer's engineer confirmed that the pond is undersized, and will require additional storage to meet requirements. I received confirmation from the developer that they are planning to right-size the pond.
- Gravel Pit permitting
 - Flight was completed, data has been processed
 - Report to follow in mid-May

Upcoming Items:

- West Lake Street
 - The City could pursue basic upgrades to the street, and early cost estimate would put the street costs around \$105,000 to improve safety from Glenn Street to Hwy 17.

On the radar:

- Project Priority List & Intended Use Plans (utilities)
 - Discuss at upcoming utility committee meeting
 - Identify system needs with staff
 - Develop a preliminary engineering report (PER)
- Street projects
 - Work with staff to identify needs
