

Engineering Update – July 2026

Blaine Green, PE, VP

Ongoing Items:

- Parking lot:
 - Project closeout, waiting on final documentation from contractor.
- Keilley Shores development
 - We've received word that the pond has been expanded, we're awaiting results of the new dimensions to confirm it meets the specifications

Upcoming Items:

- West Lake Street
 - The City could pursue basic upgrades to the street, and early cost estimate would put the street costs around \$105,000 to improve safety from Glenn Street to Hwy 17.
- Lead Service Line
 - All of the lines have been verified, and Widseth will submit the required information to the Minnesota Department of Health for their records.

On the radar:

- Project Priority List & Intended Use Plans (utilities)
 - Discuss at upcoming utility committee meeting
 - Identify system needs with staff
 - Develop a preliminary engineering report (PER)
- Street projects
 - Work with staff to identify needs
