Notes from the Mayor

Mayor Dwight Lundgren

As I conclude my term as Mayor of our beloved city, I want to extend my heartfelt gratitude to each and every one of you for the honor of serving this incredible community.

It has been a privilege to work alongside dedicated city staff, council members, local organizations, and most importantly, the residents of Vergas. Together, we have faced challenges, celebrated milestones, and made meaningful progress toward a brighter future for our city.

I am proud of what we have accomplished—from Railroad improvements, and a Handicapped Parking spot added downtown, to the everyday efforts that keep our community strong and connected. Your support, engagement, and passion for Vergas have been the driving force behind every success.

Though my time as Mayor has come to an end, my commitment to this community remains unwavering. I look forward to continuing to serve in new ways and to supporting the next chapter of leadership with optimism and pride. Thank you for your trust, your collaboration, and your belief in the future of Vergas.
