# June

## Notes from the Mayor

This month has been a busy one and beneficial for the city.

A significant amount of building is underway, primarily for new houses, which we need to remain a viable and vibrant community.

We are working to keep the city informed about new developments in the care and upkeep of the city.

The railroad has improved, although we are still awaiting word from the railroad to continue pushing for a viable and permanent solution.

I am still waiting to hear from Sanford Health about the clinic in Vergas. They are surveying the area to ensure it will work for both them and us.

The Liquor Store entrance project is proceeding. Held a construction meeting on the 27<sup>th</sup> to set in place good times for the City and residents. The project is scheduled to begin on June 9, 2025.
