

A note from the Mayor:

At the September City Council meeting it was approved to have the recordings of council meetings posted on YouTube and the City website. It was deemed to be another avenue of transparency for Vergas residents to gain information regarding the work and decisions of the City Council.

The October 21, 2025 meeting is available for viewing on YouTube; search Vergas City Council Meeting and on the City of Vergas website. You can find these recordings under the "2025 Council Meeting Agenda and Minutes" tab, along with past meeting minutes.

The ability to participate in person at City Council Meetings or via zoom also remain options to have in time access and involvement with the City officials.

Your input and feedback is always appreciated; so Council members remain informed of citizen concerns, thoughts, and ideas.

Vergas Government Services Center- (1st Wednesday of the month)

Important Notice: Yard Waste and Recycling Rules

On October 2, 2025, at 10:00 AM, a large quantity of tree stumps was left at the yard waste facility. This is a direct violation of city policy. Please remember:

- **No trees or branches longer than four feet or with a diameter greater than six inches are allowed.**
- Stumps are prohibited because they can smolder for weeks after burning, creating a fire hazard. If wind reignites the pile, the Fire Department must intervene, which increases risk and cost.

Repeated violations may result in the closure of the site. We ask for your cooperation to keep this service available to everyone.

Recycling Site Reminders

Numerous violations have also been reported at the recycling site. Please note:

- **Plastic lawn chairs, tires, garden hoses, bicycles, and mattresses are NOT recyclable.**
- Bringing yard waste without a permit is considered theft of city resources. Permit fees help offset operating costs and keep the site open.

Enforcement and Compliance

Cameras are in place, and violators will be prosecuted. Rules are posted clearly at the site entrance, yet violations continue. Your help is essential—please follow the guidelines so we can maintain these services for the community.

Bruce Albright
Councilman, Yard Waste Committee
