Growing Up VERGAS

**Rooted in Community
Growing the Future**

Donate Online:

Please select Growing Up Vergas in the project drop down menu

Why is it important?

- Childcare is essential infrastructure for a thriving community. This project will:
- Support local workforce
 - Help attract & retain families
 - Strengthen local economy
 - Establish a sustainable childcare model that can serve Vergas for generations

When will this happen?

- Once grant funding is committed-
- Summer 2026: Begin Construction
 - Summer 2027: Target Opening and Fully Operational

Project Snapshot

Who is involved?

- Vergas EDA/HRA will lead the project in collaboration with -
- grant organizations
 - local builders & contractors
 - family childcare experts
 - local, regional & state government partners
 - community supporters

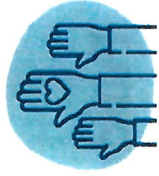

What is being proposed?

- Construction of a residential twin home to serve as a host site, providing -
- two licensed providers
 - up to 24 childcare spots created
 - support working families & local employers
 - a sustainable childcare model for the community

Community Events

- EDA Annual Meeting April
- Ongoing Fundraising Campaign
- Ribbon Cutting Summer 2027
