Mayor's Message-

It is exciting to report the Vergas Event Center has much needed updates! The improvements include new flooring and painting of the bathrooms, entry ways and main area of the building.

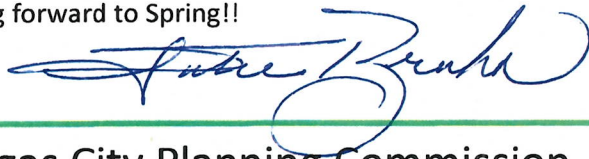

The improvements were possible through generous donations from the from Vergas Community Club, individual donors, and the American Rescue Plan Funding. It has also included many volunteer hours to assist with the preparations that made the improvements possible.

Two fund raising events, purse bingo and gun raffle, have begun the fundraising for remodeling the kitchen. Please watch for the design to be presented in the near future.

The Event Center has a whole new atmosphere that will enhance any event held there.

Hope you have an opportunity to come check out the Event Center's new look!

Looking forward to Spring!!
